Discovery 2024 Production Schedule

This is a production schedule for the 2024 issue of the *Discovery* student journal of Dale Bumpers College of Agriculture, Food and Life Sciences. **Please understand that the process does not end after you hand in your manuscript. There is a review and revision stage for ALL papers**. Usually requested changes are not that extensive, especially if you've made sure to follow Instructions for Authors carefully. While we will try to do our best to work with you and let you know where in the process your paper is, please be advised that if papers are submitted much past the deadline or revisions are held up too long, they may have to be rolled into the next year's issue. Asterisks/bold typeface indicates due dates that you, the student-author, are responsible for meeting.

All Manuscripts due: May 6th, 2024   ⬅ **Student date

If you need an extension, please let editor know ASAP: ghalleck@uark.edu

   Manuscript to reviewer   ASAP (usually same as submit date)

   All reviewed papers back to Managing Editor   June 8th
   to prepare revision packets:

   All revision packets mailed with comments to   June 15th
   faculty mentors/students:

All revised papers due to Managing Editor: July 8th or earlier   ⬅ **Student date

   All proofs to students: July 27th

All changes to PROOFS due to Managing Editor: August 3   ⬅ **Student date
